Vision Zero connect — Inspiring Sustainability

QHA Queensland Hotels Association

Smart. Simple.

Turn Real Assets compliance into your strategic edge
with our AI-powered platform.

Stop juggling spreadsheets.
Start growing with confidence.

ESSENTIALS DELIVERS

- ✓ One report for every bank, buyer & partner
- ✓ AI reads utility bills for you
- ✓ 15 minutes – not 5 hours

THE PROBLEM

- ✗ Repetitive questionnaires
- ✗ Spreadsheet chaos
- ✗ Changing ESG regulations
- ✗ Expensive and compliance-heavy
- ✗ Lack of expertise

OUR SOLUTIONS

- ✓ AI-Powered ESG Automation
- ✓ Compliant with global and local frameworks
- ✓ Shared Supplier ESG Platforms
- ✓ Affordable ESG Reporting Solution
- ✓ Audit-ready ESG report

Time lost. Money wasted. Credibility at risk. There's a better way.

essentials

by Vision Zero Connect

An AI-powered Carbon reporting platform built for SMEs with Real Assets

KEY BENEFITS

- ✓ Submit once. Satisfy many.
- ✓ Works with local standards & emission factors – anywhere in the world.
- ✓ No ESG expertise required.

Compliance becomes your advantage, not your burden.

How It Works: 3 Simple Steps

1 Data Input

Drag & drop utility bills. Our AI extracts key data.

2 Review Performance

Real-time dashboard shows your ESG position instantly.

3 Report

Generate lender-ready PDFs or PowerPoints – with your branding – in seconds.

Why SMEs Choose essentials

AI-driven automation

One report, everywhere

Real-time insights

Professional outputs

Enterprise-grade functionality at an SME-friendly price.
